

Are you prepared for the recovery?

Global and domestic pressures are reshaping the supply chain game. The chessboard is shifting and players are changing. This is not your daddy's supply chain. We will be focusing on the changing landscape — worldwide and domestic. Special focus will be on compliance issues, east coast ports and managing the dynamics of the trading partners throughout the supply chain.

Registration: 8:30 a.m. Meeting 9 a.m.—4 p.m.

Topics include:

- 10 + 2, Lacey Act and CPSIA
- Global Logistics Update
- Global Trends
- Domestic Trends
- East Coast Ports and the repositioning for future growth
- Compliance Issues
- A Supply Chain Panel discussing the dynamics between trading partners within the supply chain.
- A Retail Panel discussion on what retailers need from their suppliers and carriers in order to succeed in business and effectively sell furniture.
- An in-depth review of recent changes to the Customs laws and regulations.
- A discussion regarding current events that will affect the trucking industry
- The latest from Washington regarding the future costs of transportation in the United States.

Don't miss this important opportunity to gain the knowledge you need to ensure that your company is prepared for the recovery!
