Presented by the American Home Furnishings Alliance

MEMBER REGISTRATION: \$325

Don't miss the **2012 Sustainability Summit** – the only educational conference in the home furnishings industry dedicated to advancing sustainable business practices and products in the home furnishings industry. You will return from this event with practical and proven strategies for powering your company's environmental initiatives *beyond expectations* in 2012!

Program Highlights:

- **Mike Lynch, Managing Director, NASCAR Green Innovation** *Racing Beyond Expectations*. Unique lessons for home furnishings companies from NASCAR's successful sustainability initiatives.
- **Best Practices: Energy savings, waste reduction, recycling** Presentations and panel discussions offering valuable take-away strategies for environmental measures with big payback potential.
- **EFEC and Sustainable by Design case histories.**
- **One Best Idea from the three 2011 Sage Award finalists:**
Sauder Woodworking: The Case for Sustainability Reporting
Crypton Fabric: Benefits of Third Party Certification

PLUS: Comprehensive Eco-Regulation Update!

- **CPSC Chief of Staff, Matthew Howsare** – CPSIA Update
- Brent McClendon, Executive Vice President, International Wood Products Association -- Lacey Act Enforcement Update
- Supply Chain Transparency – The Next Regulatory Frontier
- Compliance 2012: Ending the Labeling Nightmare
