

FINANCIAL-BASED APPLICATION INFORMATION

The Solution Partners Scholarship Program is designed to benefit the children of employees working full-time at AHFA member companies, including its subsidiaries, the International Casual Furnishings Association and the Solution Partners Division.

The Program awards scholarships to students age 21 or under who are enrolled in or planning to enroll in a two-year or four-year college, university or approved vocational/technical school. Recipients must be full-time students.

Financial-based scholarships are \$2,500 for one year of full-time study. Awards are granted for study leading to a first undergraduate degree only.

The Solution Partners Scholarship Program is administered without regard to race, creed, sex or national origin.

WHO IS ELIGIBLE?

The applicant must be a dependent child of an individual working full-time at a company that is a member of the American Home Furnishings Alliance or its subsidiaries. A dependent child is defined as one who qualifies as a dependent on the employee's federal tax return for the year in which the scholarship is to be awarded.

The employee must have at least one year of continuous employment with the member company before a dependent child is eligible. Further, the employee must be working for the same member company on the date of the scholarship application and the date of the scholarship award.

Applicants for the scholarship may be in their senior year of high school at the time of application. Also, students age 21 or under already in college or a vocational/technical school may apply, unless the student is in the final year of his/her post-secondary studies at the time of application, since awards are only available for undergraduate study.

HOW ARE SCHOLARSHIP AWARD RECIPIENTS SELECTED?

Eight scholarships are awarded based on the financial need and merit of the student.

The following factors are considered when reviewing scholarship applications:

- Financial need
- Scholastic aptitude based on standardized test scores such as the SAT or ACT, if available
- Scholastic performance based on grade point average
- Interests and activities, including work experience, leadership roles, and extracurricular/volunteer activities
- Statement of educational and career aspirations and goals
- Any unusual personal or family circumstances
- Appraisal of the student by a high school or college counselor/adviser, instructor or supervisor

Each application is completely confidential and is reviewed initially by the American Home Furnishings Alliance, which is the Fund administrator, and subsequently by a selection committee appointed by the Solution Partners Board of Directors.

Recipients will be notified of their award in April of the year the award is effective. Non-recipients will also be notified in April. Applicants who are selected, as well as those who are not selected, may reapply for a Solution Partners Scholarship in subsequent years.

The Solution Partners Scholarship Program reserves the right to discontinue the scholarship during the academic year if the student's efforts, achievements or conduct is unsatisfactory.

HOW MANY SCHOLARSHIPS ARE AWARDED?

A total of eight financial-based scholarships are awarded each year.

HOW ARE THE AWARDS DISTRIBUTED?

Awards made on behalf of the Solution Partners Scholarship Program are issued in two equal installments in July and December of the year in which the award is granted. Checks are made payable directly to the educational institution.

Awards may be used to pay for tuition, books, lab fees, room and board or other educational expenses.

WHAT ARE THE RECIPIENT'S RESPONSIBILITIES?

The recipient is solely responsible for making arrangements with and fulfilling the requirements for admission to the educational institution of their choice. The recipient must enter a post-secondary educational institution no later than the fall term following the scholarship selection.

Except as described in the application procedure for the Solution Partners Scholarship Program, no obligation of any kind will be imposed upon a scholarship winner or assumed by the American Home Furnishings Alliance or its Divisions or the Solution Partners Scholarship Program in connection with the granting of the scholarship.
